Intern Job Duties (continued)

• Conduct an educational exhibit at the Medina County Fair highlighting Farm-to-Table.

• Assist in planning a cross-program area event to promote awareness about Extension in Medina County.

• Create online content (from existing content) for the family and consumer sciences program area to enhance the accessibility of Extension’s educational information and resources.

• Create visually appealing reports (especially infographics) on Extension’s total impact in Medina County to be shared with commissioners, the advisory committee, other stakeholders, and the general public.

Intern Job Duties

The successful intern will be involved in these, or similar job duties and opportunities:

• Contribute to the production of educational videos that showcase ‘how-to’ skills within the Extension impact areas and program areas. The videos are intended to educate county residents and serve as a call-to-action for local constituents to utilize the services available from OSU Extension – Medina County.

• Attend Family First Council (FFC) meetings and subcommittee meetings to assist in promoting connections and collaboration with local partners and to identify and address special needs in the community.

• Assist with implementing Extension events taking place during the internship, especially assist with planning, coordination, setup and registration.

• Assist with the growth, promotion and updating of the CARTEENS program.

• Assist with two Cooking Matters series at the Medina County Health Department.
