BUILDING OUR BRIDGES OVER TROUBLED WATERS

2004 OSU Extension Annual Conference Awards Program
Brenda Dininger, Richland County

According to the Richland County Extension Staff, Brenda Dininger’s most important attribute is that when she sees a need in the county 4-H program in any area, she finds a way to complete the task! She has been a 4-H volunteer and mentor for new advisors for 13 years, has served on the 4-H Committee 8 years, and served on the Extension Advisory Committee 5 years. Brenda has also been active on the 4-H Awards, Endowment, and Animal Education Committees. She has been actively involved in the 4-H horse program at the county, district and state level. It’s easy to see why she has received Richland County’s “Outstanding Service to 4-H” award twice! She is also active in church and school activities with her children.

Darrel D. “Cubby” Cubbison, Muskingum County

Darrel “Cubby” Cubbison is a long time supporter of Extension in Muskingum County through the Extension Advisory Committee and the “4-H Lamp” electrical safety program. He is Secretary of the Ohio 4-H Foundation Board and is Past President of the State Extension Advisory Committee and Past Chairman of the State Extension Support Committee. He has served 4-H as a Muskingum County Agricultural Society member for 32 years and is a past member of CARET (Council of Agricultural Research, Extension, and Teaching). Cubby is also very active in many community groups and organizations and has received several local and state awards for his service to others.

Harrison Shuttt, Allen County

Harrison Shuttt has been an avid supporter of 4-H and Jr. Fair programs in Allen County for many years. He was a driving force in establishing the Allen County Carcass Show and started the Gallon of Milk Sale. As owner of KewPee Hamburgers restaurants, he donates KewPee tickets to all 4-H market animal exhibitors as well as buying livestock and donating to many major Allen County 4-H activities. He co-sponsored the video (Allen County Hamburgers: Pride of Lima) with OSU Extension and is a past Advisory Committee member. In addition he has served on numerous local boards and received many community awards, including an Honorary Doctorate from Ohio Northern University.

Lucille Cumbers, Butler County

Lucille Cumbers is a very busy lady and has served as a 4-H volunteer for 34 years. She established the sewing camp and the clothing and food/nutrition skillathon kits for Butler County. She has served on the 4-H Committee 16 years and the Extension Advisory Committee 7 years. Lucille has been a strong supporter of involving youth in a variety of community service projects in collaboration with several community agencies. She is active in many community organizations and was inducted into the 4-H Hall of Fame in 2000. She also received the 2001 Ohio 4-H Innovator Award.
