President’s Report

I have enjoyed and appreciated the opportunity to serve as your President and all of the experiences that I encountered during my term; it truly has been a prestigious honor. I am greatly appreciative of the Board of Directors who has worked diligently throughout the year to reflect the members’ interests and concerns through committee work and our open discussions and dialogues with the Administrative Team.

Our OAEP committee chairs are to be commended for their dedication and support to the organization. With the assistance of committee members, they developed a plan of action for the year at their February meeting. These action plans were posted to the OAEP website. Active committees with members who are engaged in the inter-workings of the committee are the backbone to any successful organization. These committee chairs have provided the necessary guidance in positioning OAEP for the future. Please take time to review the officers’ and committee reports for details about the work that has taken place.

As my year as president comes to a close, I am pleased to share the accomplishments of the OAEP board and committee members through “a year in review”

January
~ Reorganization meeting; welcomed new members to the board and provided an orientation to members as to their roles and responsibilities as a board member.
~ Participated in the State Extension Advisory Committee Meeting. Co-presented “Effective Strategies to lead a Strong Advisory Committee” with G. Wolford and S. Crowell.
~ Invited as a guest speaker for the Agriculture Education 630 class addressing “Why Professional Development?” and “What is OAEP?”

February
~ Committees met for the first time and developed their yearly “Action Plans”.
~ The new OAEP logo was presented, accepted, and launched to our newly designed website.

March
~ In March, dodging the post-blizzard weekend of 2008, board and committees met.
~ The Public Relations committee shared a draft of our new promotional brochure; getting feedback from the board.
~ Open discussion and dialogue with Keith, Ken and Linda.
~ Participated in association leaders’ meeting with the Administrative Team. This was an opportunity to share your issues and concerns with the Administrative Team through open discussion and dialogue.
~ Participated in the Legislative Luncheon.

April
~ The Spring issue of the OAEP newsletter was posted to the new website.

May
~ The Strategic Plan was launched.
~ Our board meeting was held via webex due to reduced travel budgets.

June
~ The board and committees met.
~ Open discussion and dialogue with Keith, Ken and Linda.
~ Participated in the State Extension Advisory Committee meeting.
~ Participated in association leaders’ meeting with the Administrative Team.

September
~ The September meeting was held via conference call.
~ Attended the annual retiree Picnic. This was an exciting experience and one I looked forward to with great anticipation; a time to renew Extension friendships and reminisce.
~ Ohio was well represented at Galaxy III; 18% of the Showcase of Excellence displays and 13% of the seminars. The 1st and 2nd VP’s from each association coordinated the State’s Night Out; kudos to the planning committee.
~ Participated in association leaders’ meeting with the Administrative Team.

October
~ The board and committees met.
~ Open discussion and dialogue with Keith, Ken and Linda.
~ Participated in the State Extension Advisory Committee meeting.

November
~ Participated in association leaders’ meeting with the Administrative Team.
~ The Fall issue of the OAEP newsletter was posted to the website. Wrote an article entitled, “Ten Ways you benefit from Being Involved in OAEP”.

December
~ Participated in Buckeye Bounty.
~ Participated in our 87th Annual Meeting and the Joint Recognition Annual Conference.

Our professional organization is only as strong as we make it. Committees depend on active members; not those who appear only on paper. I challenge those of you who have volunteered to serve on an OAEP committee in 2009 to make meetings and committee responsibilities a priority.

I have professionally and personally grown as an individual through my leadership role in the Ohio Association of Extension Professionals and for that, I am thankful.

In essence, it’s been a year to remember. Thanks for the memories.

December 13, 2007 -- Meeting Minutes – OAEP ANNUAL MEETING

President Andrew Merritt called the second Annual OAEP meeting of the 86th Annual Meeting of Extension Professionals to order. The meeting was held at the Cherry Valley Lodge in Newark, Ohio beginning at 10:15 a.m.

Jessica Rockey led the Pledge of Allegiance and Andrea Daubenmire read a poem of inspiration about living for the moment.

The secretary’s report for the 2006 OAEP Annual meeting had been posted on the website and approved at the January 2007 OAEP Board meeting.

Teresa Johnson gave the 2007 Treasurer’s Report which stated a net gain for the organization, but the treasurer reminded the members there are scholarship payments and there had been a state increase of dues for some of state associations. The 2008 budget will reflect the changes, including the PILD adjustment.

The 2008 OAEP Budget was presented to members for approval. Lisa McCutcheon moved to approve the budget. Hal Kneen seconded the motion. Members voted to approve the 2008 OAEP Budget.

2007 OAEP President Andy Merritt: Andy asked members on what they thought the purpose of OAEP should be.

Committee Reports: Reports are posted on the OAEP website. The Professional Committee has the scholarship recipients posted. The Recognition Committee passed out awards to members. A complete of Award Recipients are posted on the website and on page 33 of OAEP Annual Report. Recognition Chair person Cindy Shuster thanked the Award Committee for their hard work!

Recognized individuals with 5 years, 10 years, and 15 years of Extension service.

NEW BUSINESS:

President Andy Merritt reported that Keith Smith is open to discussion on what OAEP should be involved with in the future. For example, Bruce Clevenger had put together a salary report comparing promotion in the A & P track.

Member Ken LaFontaine stated the need for support for professions to build the Extension family beyond the county level. He thought there needed to a network formed to build the organization. Betty Wingerter supported Ken’s point.

Andy wanted to know what other “hot issues” there were in the organization. He thought one was the issue with the combined old professional organizations to still build relationships with the state and county professionals. Other issues included: Retention and recruitment of staff, including how to reach out to staff and management of unfilled county positions including who’s responsibility (pay/cost) to take care of other county’s cliental. There was much discussion on these vacant positions. Members suggested some guidelines and policies be drawn up to handle those with neighboring counties’ educator vacancies. A
suggestion by Brenda Young was to recognize those who have been filling in for other county’s educators. Cindy Shuster asked members to send their suggestions to their regional representatives. These concerns will be sent to Keith Smith. Andy Merritt also asked what does OAEP need to do to make changes in the organization.

Recognition of Outgoing OAEP Board members by Cindy Shuster and Andy Merritt. Thank you for your contributions to the new OAEP organization.

OAEP Audit Report
November 7, 2008

I met with Teresa Johnson, OAEP Treasurer, to examine the financial records and accounts of OAEP. A review of randomly selected transactions indicated that they had been properly recorded. I also found the books accurately represented the account balances as shown on the bank statements and supporting documentation. The Quicken account has been rolled over for the 2009 fiscal year.

I would like to acknowledge some of Ms. Johnson’s accomplishments as the OAEP treasurer from 2004 – 2008.

- Working with the business office in allowing payment requests forms to be utilized for membership payment.
- Working with the Board to change the fiscal reporting year to accurately reflect the membership year for income and expense reporting. (October 1 – September 30)
- Working with the Board to better understand that dues were not covering expenses in a given fiscal year which led to a dues increase.
- Working with committees to better define the courtesies guidelines and developed a form to be used by the membership.
- Generated $6000 of interest revenue over a four year period by using higher yielding money markets and certificates of deposit.

Recommendations for the 2009 fiscal year,

- Have the outgoing treasurer serve on the finance committee to allow for a smooth transition.
- Set up on-line banking to allow copies of the bank statements to also be sent to someone on the finance committee as a check and balance procedure.
- Send monthly budget reports to members of the finance committee if they are not currently serving on the board.

I would like to commend Ms. Johnson on her four years of service to OAEP and for her outstanding work and fiscal responsibility to the members of the association.

Sincerely,

Wm. Bruce Clevenger, Extension Educator
Defiance County

While serving as Membership Chair over these past five years, I have worked to maintain timely communications among our membership while striving to improve our membership records database. Typical functions of this position include tracking years of service, national association memberships, member retirements and resignations, as well as contact information for all association members and office locations across the state. This position also maintains oversight of the OAEP listserv.

Throughout this past year, we have continued to focus efforts on the membership database – both by improving the accuracy of the information within the system, and by improving our capabilities to perform queries and provide lists to those officers and members who need them. There is still much to be done in order to make data collection and utilization more user-friendly. During 2009, we will focus on incorporating national association tenure as an aspect of our records database. This has been determined to be an area of current weakness that would be beneficial during the annual awards selection process.

Totals do not reflect Life Members within any National Associations.

As you can see, the OAEP membership numbers have decreased slightly during the current year, as have two of the four national association memberships. Throughout the year(s) to come, it will continue to be critical that we effectively communicate the benefits of state and national association membership. An aspect of that benefit includes keeping current membership informed of association business, and providing new staff members with a personal invitation to get involved and become active.

Looking ahead to the future, we are currently receiving membership dues for 2009, and will be working toward having national association memberships submitted by the end of the year.

For those looking for happenings within OAEP, past meeting minutes, newsletters, membership and committee forms, or a listing of current officers or meeting dates, please feel free to go to the OAEP website located at: [http://www.oaep.osu.edu](http://www.oaep.osu.edu)

Should there be a way in which I can be of assistance to any of you, please do not hesitate to contact me at the Licking County Extension Office. I can be reached by phone (740.670.5315) or email (mccutcheon.46@cfaes.osu.edu) at your convenience.
I continue to acknowledge much appreciation to Teresa Johnson, as effective communications between the OAEP Treasurer and OAEP Membership Chair continue to be essential in maintaining accurate records.

2008 OAEP Professional Improvement Committee

Sherry Nickles, Chair

Pam Montgomery, Co-Chair

Highlights:
Sub-committees were discussed and formed at the February meeting. Goals for the committee to work on for the year were prioritized under each. Following is a summary of each group’s work.

Scholarship sub-committee:
Lisa Barlage, chr; Mary Beth Albright, Nancy Snook, Jerry Mahan, Judy Conrad, Brenda Young
The budget this year was $3,400 total with six $500 professional improvement scholarships to be given and four $100 first timer attending a national meeting scholarships to be given. The new OAEP heading was added to the scholarship application along with changing to two deadlines - June 1st for national conferences being held in June, July and August, and September 1st for national conferences held in September, October, and November. Scholarship recipients included: Melanie Hart, Jonah Johnson, Cindy Bond-Zielinski, Steve Brady, Shari Gallup, Susan Colbert, and first timers Marissa Mullett, Travis West and Cindy Long.

Annual Conference sub-committee:
Judy Conrad volunteered to be the liaison for annual conference planning committee representing professional improvement committee. The theme is “Now is Our Time”.

New Educator Orientation and Mentoring sub-committee:
Sherry Nickles, Brenda Young, Judy Conrad, Hanna Kohler, Karen Bruns, Cindy Long, Lisa Barlage Graham Cochran, Leader New Personnel Development, participated in two meetings of the committee and shared status of new educator orientation and the mentoring process which is now referred to as ‘on-boarding’. He also discussed progress taking place on the ‘Staff Base’ OSUE Strategic Planning issue. Three goals include:
*Transition work with Human Resources to a Competency Based Approach. Graham and Chris Igodan are leading the effort to develop a set of broad competencies all people need for work, and possibly by individual job. This is a work in progress to develop a model for OSUE.
*Shared services/staffing patterns
*Enhance the way OSUE utilizes volunteers

Professional Development sub-committee:
Pam Montgomery, Carolyn Wilson, Regina Kuhn, Steve Brady, Jerry Mahan
The committee discussed the proposed signature programs. Although identified programs are respected, concern was generated and taken to the OAEP board regarding a lack of 4-H programming represented and a lack of time/staff to implement signature programs.

Future items to consider for work by the committee:
Continue to keep ‘on-boarding’ a priority for new employees.
Continue to track the “Staff Base” OSUE Strategic Planning process.
2008 OAEP Public Relations Committee Report

The OAEP Public Relations Committee has been quite busy in 2008. Thanks to all the hard work of our committee members here’s a summary of the year’s activities.

- Members of our committee were involved in the creation of a new OAEP logo. The new logo is to be incorporated in all new print and on-line materials.

- Jennifer Hartzler led the effort to update the OAEP promotional brochure updating content and incorporating the new logo.

- The committee professionally printed 500 new promotional brochures for distribution at Extension events.

- Jennifer Hartzler produced updated OAEP tabletop display materials that were used at the Extension Strategic Planning Event held on Columbus in May 2008.

- OSU Extension HR agreed to distribute the new OAEP promotional brochure (printed and digital version) in materials provided to new Extension employees.

- The committee purchased a new table top display board to be used at Extension events throughout the year.

- The committee provided funds to the Ross County Extension office to purchase snacks for the 2008 County Commissioner’s Days.

- The OAEP Public Relations Committee will continue to use the new format for Buckeye Bounty at County Commissioner Association of Ohio Conference in December 2008. The committee is putting together door prizes for which Commissioners may register during the conference. As in 2007, the OAEP board will provide $250 toward the door prizes and State Extension Advisory Committee is also contributing $250. With the $500 there will be two large value prizes; one of which is a Longaberger Basket valued at $100, and 10 $25 items.

Commissioners will receive a door prize registration sheet in their registration packet and the OAEP PR Committee will have tables set up next to the registration area with the door prizes on display. Commissioners may register Monday and Tuesday, Dec. 8 and 9, and the drawing will be held at the Tuesday Luncheon. In the past, OAEP also hosted two spouses sessions at the conference. Due to low attendance the committee agreed to cancel the sessions for this year.

The Personnel Committee is asked to monitor and report on salary and benefit information for faculty and staff, evaluate the promotion and tenure system and address personnel issues identified by the membership.

The committee reviewed and commented on the results of 2007 OSU Extension Salary Study. The full report can be found at: [http://hr.ag.ohio-state.edu/2007_Salary_Study.pdf](http://hr.ag.ohio-state.edu/2007_Salary_Study.pdf). This report contains grouped data about OSU Extension employees by gender, race, titles, salary, years of OSU service, and program areas. Garee Earnest is establishing an OSU Extension H.R. Research Agenda that will routinely study salaries, system wide equity, and gender.

The committee continues to review the promotion and tenure (P&T) process for both faculty and administrative and Professional (A&P) positions. The committee encourages employees that are eligible for P&T to go to the training sessions near the beginning of their career and/or a few years before the year a vita is being submitted. Plan ahead and know the guidelines for P&T. Members going through the faculty P&T process have shared their frustrations with the new system and have asked us to look into this process next year.

Other issues that were identified throughout the year related to the future of OSU Extension and were directly related to the OSU Extension Strategic Plan. Due to our current financial climate clustering and/or multi-county assignments may become an important part our future staffing plan. Our committee had many discussions on issues relating to this subject and suggested the following recommendations to administration:

1) To include OAEP representation in future meetings regarding staffing/clustering.
2) To seek input from current multi-county educators when developing a plan regarding staffing/clustering.
3) Ask County Directors to seek input from County Commissioners regarding staffing/clustering.

**EMERITI/RETIREES REPORT – 2008**

Ella Mae Bard
OAEP Retiree Representative – 2008

Sixty OSU retirees gathered Monday, September 8, 2008 – 11:00 a.m. – 3:30 p.m. – at the Cedar Ridge Lodge at the Battle-Darby Creek Metro Park for a time to “catch up” with Extension friends and enjoy a great potluck meal. Director Keith Smith outlined an update from Extension Administration. OEAP President Cindy Shuster and ESP President Karen Bruns shared greetings from the associations.

New retirees are welcomed and we are maintaining a contact list of retirees. The year we tested an e-mail notice for the picnic. It was acceptable to the test group so e-mail will be used where possible to cut future mailing costs.
Throughout the year, Joyce Smith (smith.12@osu.edu) forwards e-mail updates to retirees including notices administration web news. In addition, the Director’s office periodically sends a mailing to retirees.

Ted Jones will assume duties as retiree representative, when he returned from Florida. Ted may be contacted at tjones43@yahoo.com.

State Extension Advisory Committee

2008
OAEP Representative: Cindy Shuster
Prepared by: Gwen Wolford and Cindy Shuster

OAEP The State Extension Advisory Committee (SEAC) works with OSU Extension administration as advocates for Extension’s state and federal budget, assesses needs, gives feedback on effectiveness of the overall Extension program and promotes the value of the organization. The committee has representatives from the four program areas, from each of the Extension regions, at large representatives, a member of the Director’s Internal Advisory Council, the president of OAEP and members of the Extension Administrative Cabinet.

SEAC meets three times each year, and two of those meetings are held jointly with the OARDC Advisory Committee. Topics addressed at 2008 meetings included leading for more effective advisory committees, member visits to county advisory committees, and OSU Extension’s response to Ohio’s current economy. Others were Extension’s strategic plan, annual report, Friend of OARDC and OSU Extension awards for state legislators and staffing patterns within the organization. At each meeting, members receive an update on the budget, relevant changes in the political landscape, and Points of Pride that can be discussed when supporting programming. With an interest by SEAC members in becoming more connected to counties, some members attended 3-4 county advisory committee meetings in an effort to be more connected with county happenings. CEDs were asked to include the assigned individual on mailing lists, invite them to county advisory committee meetings, etc.

SEAC sends a delegation of volunteers to the PILD Conference in Washington D.C. each year. 2008 attendees were Dave Slagle, Steve Mercer, David Greer and Jim Rogers. SEAC also collects dues from counties that must be paid from non-appropriated funds. The income generated pays for the non-educational expenses for the Legislative Luncheon, expenses of committee members to travel to and from meetings and to the PILD conference, and the Congressional Assistant’s Tour. SEAC has agreed to continue to co-sponsor Buckeye Bounty since educators are no longer permitted to obtain donations for this event.

Mike Hogan will serve as the representative in 2009.

**College of Food, Agriculture and Environmental Science Faculty Council Report**

2008

Submitted by Doris Herringshaw

The College of Food, Agricultural, and Environmental Sciences Faculty Council serves as the faculty advisory group to Bobby Moser. The council meets three times a year to discuss issues that have a direct relationship to the college. Extension faculty representation for the coming year (three year term) includes Glen Arnold, David Civittolo, Julie Dalzell, Penne Smith and Jackie LaMuth.

The subjects of discussion during the last year have included the need for more action related to recycling and reusing. The council created a Green committee and made recommendations to Bobby Moser to move OARDC and the College forward on this issue. The recommendations included short term and long term objectives. The council served as a sponsor to the successful OSU Wooster Campus Scarlet, Gray and Green Fair.

Discussions during the last year addressed concerns about Extension appointments and how this fits with the new OSU PRO system. Additionally concerns over funding, creating a new viable strategic plan and ways to increase student enrollment in the college’s courses from across the campus were discussed.

The fall faculty meeting was scheduled for September 12 and topics for discussion included assessment of and how to document impacts, College strategic plan, international agricultural programs and greening of the College.

Officers for the coming year included Stan Gehrt, chair, Doug Doohan, vice chair, David Shetlar, secretary. Past officers were Allen Zimmerman, Stan Gehrt, and Doris Herringshaw.
