SECRET FRIEND ACTIVITY

Would you like to get to know a fellow CES member better? If so, we invite you to participate in the Secret Friend activity. This activity is for members interested in a commitment to yourself, your Secret Friend and the program in general. The activity is designed to be an informal, voluntary arrangement. You are encouraged to send your Secret Friend (anonymously) notes cards and remembrances throughout the year. Possible occasions to keep in mind are birthdays, holidays, special occasions, or just a note of kindness. Let your imagination be your guide. You are not expected to spend a lot of money, but we do ask that you be thoughtful in your sending. It’s always fun to be on the receiving end, but in fairness to all involved, we need to be considerate in our spending as well.

To become another member’s Secret Friend, all you have to do is complete the bio-sheet and send it back with your membership application. Once the bio-sheets are received, matches will be made and your Secret Friend’s dossier will be sent to you.

For those of you participating this year, your current Secret Friend will be revealed to you at the CES Annual Meeting on December 8.
