CHI EPSILON SIGMA OFFICERS AND DIRECTORS MEETING

Friday, November 16, 1990 at 9:30 a.m.

In attendance were:

Marilyn Bloom, Ottawa Co.	Becky Hooper, East District
Evelyn Roediger, State CNRD	Betty Marlow, Wood Co.
Marie Bouic, Union Co.	Jill Kelley, Personnel
Phyllis Althouse, Assoc. Dir.	Irene Moore, Ashland Co.
Betty Ward, East District	Betty Kidd, Northwest District
Terri Clark, Southwest Dist.	Jacqueline Mueck, Campus
Carol Poe, Campus	Mary Rae, Emeriti

President, Marilyn Bloom asked each one present to introduce herself, and tell a little about themselves.

Secretary-Treasurers report was given by Evelyn Roediger. A favorable audit was given and all the books turned over to Betty Marlow. A balance of \$1,723.22 was shown.

Jacque Shank, Graduate Student would like our assistance with her research on secretaries.

-Irene Moore made a suggestion that our Fraternity support Jacque, and help her in any way that we can.

-Betty Kidd suggested we tell other support staff by way of personal contact and newsletter.

-Evelyn Roediger suggested that Jacque give us something to follow when talking to other support staff that would help her with the research topic.

-Marilyn Bloom suggested that Jacque pick various areas where support staff are to see the different types of service each one gives and their individual needs. Examples are the State Support Staff, District Support Staff and County Support Staff. One office in each one could be selected and followed through to compare the differences and needs.

-Mary Rae suggested that Jacque work hard on the dividing line that agents are way at the top and support staff are way at the bottom.

Jacque wants the resource to bring out a team concept and positive thinking.

Jacque is in room 250. Her phone number is (614)292-1354. Messages can be vaxed to Jill KELLEY that you want Jacque to receive.

All of us should give this a lot of thought, because it will be a help to all Extension Support Staff.

Survey

Irene Moore is writing a survey that will be mailed out to Extension Support Staff, because it is our desire to keep in touch with and serve all Extension Support Staff. The purpose of the survey is to receive feed back on how Extension Support Staff can best be served through our Fraternity.

Irene is in contact with North Dakota. They are interested in starting a support staff fraternity.

Suggestions for Membership

Letter of welcome to any new Extension Support Staff from District Director.

District Director then does a follow up by phone, visit, etc. to really make the new staff member feel welcome.

Phyllis Althouse was asked if she could provide a letter for the District Directors to follow.

Retiree

A support staff retiree may join Chi Epsilon Sigma Fraternity.

CHI EPSILON SIGMA FRATERNITY
4TH ANNUAL MEETING
October 23, 1990

Registration Process:

Very quick. Enough information. Needed more name tags.
Very confusing - not organized. Have rolls/muffins with coffee
When registered for in service was surprised they did not have name
tags.
Very orderly & well planned.
Efficient
Fast, smooth
Very good - efficient
Fine
OK - but we were crowded by two different lunches in the same area.
Good except name tags
There was no waiting in line. That was really nice since it took
us 2 hours to get there.
n/a. As I was busy getting things ready for the meeting, someone
got my packet. Was aware that we didn't have access to a table
because of tight quarters, which I'm not sure was our fault.
It would have been nice to have though.
Maybe on map put directions. Found it confusing on map that French
Mkt & Busch were identified. Also, some of the outside
counties do not know that High Street is Rt. 23.

Luncheon:

Very tasty. Loved having Utterbach speak.
Not good the first day.
Excellent. Would like to have round tables so people can see each
other.
Delicious - served quickly
Very good
Tasty, but cold
Content - very good, but not even warm.
Very good
Great
Very good. Nice selection of menu.
I like the luncheon a lot better than the breakfast. I'm not a
breakfast person.
Great!
Good.
