#OHteens4Health
Health Summit by Youth, for Youth
An interactive and informative look at issues affecting teens in Ohio

Bring a team of three and be a part of our first summit to promote health action and advocacy among teens. Topics to be presented include: sleep advocacy, positive relationships, mental health, foods that heal, inspiring physical activities, cyber-safety, driving safety and more. This event is open to all youth (9-19 years) and the adults who work with them. We encourage one adult mentor per team. Recruit your team today and make a difference in your community tomorrow!
