OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Fulton County

2. Supervisor of intern: Eric Richer

3. Supervisor email/phone number: richer.5@osu.edu / 419-337-9210

4. Please identify the impact area and program area that will be the major focus of the intern.

   Check a maximum of two impact areas:
   
   ___ Health and Wellness
   ___ Job Skills and Careers
   ___ Thriving Across the Life Span
   ___ Sustainable Food Systems
   ___ Engaged Ohioans, Vibrant Communities
   ___ Environmental Quality

   Program areas – check all that apply:
   
   ___ Agriculture and Natural Resources
   ___ Community Development
   ___ Family and Consumer Sciences
   ___ 4-H Youth Development

extension.osu.edu

CFAES provides research and related educational programs to clientele on a nondiscriminatory basis. For more information: go.osu.edu/cfaesdiversity.
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

- A series of short educational videos (for social media, websites and teaching) highlighting key impact areas of our county Extension office.
- Technical reports for on farm research that will report nutrient and water quality impacts for producers.
- News articles in support of summer programs.
- Educational display at Fulton County Fair in support of Extension Impact Areas.
- Instructional binder for Jr Fair Board youth to be used at fair.

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

- On Farm Research – trial layout, data collection and processing, and reporting.
- NW Ohio Precision Ag Field Day – promotion, program coordination, possible presentation.
- 4-H Camp – intern will assist with the training of camp counselors and delivery of 4-H Camp
- 4-H Project Judging – intern will develop and coordinate the still project judging system, including volunteer coordination.
- Fulton County Jr. Fair – work closely with Jr. Fair Board advisors and 4-H Educator to coordinate podium speaking, awards, tag-ins, shows and sales.
- Participate in community based Extension programming meetings.
- Participate in required and selected in service trainings for impact areas as needed and in support of skill development needed throughout the internship.
