OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Lucas County
2. Supervisor of intern: Holly Ball
3. Supervisor email/phone number: ball.2129@osu.edu / 419-213-20292
4. Please identify the impact area and program area that will be the major focus of the intern.

Check a maximum of two impact areas:

- Health and Wellness
- Job Skills and Careers
- Thriving Across the Life Span
- Sustainable Food Systems
- Engaged Ohioans, Vibrant Communities
- Environmental Quality

Program areas – check all that apply:

- Agriculture and Natural Resources
- Community Development
- Family and Consumer Sciences
- 4-H Youth Development
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

- Online Publications including
  - county website articles
  - social media posts
  - Family Consumer Sciences Blog(s)
  - Fair Display
  - Vegetable fact sheet
  - Community Supported Agriculture promotional materials
  - Fair healthy food pieces.

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

Being placed during the summer season, the intern’s primary focus will be on the increasing sustainable food systems impact area. Under that umbrella the intern will work across all programmatic areas assisting all three Educators on the following projects/events:

- Pollinator week
- Research assistance in part of Integrated Pest Management Research Project
- Developing and hosting exhibit at Lucas County Fair
- Coordinating sites for Blender Bike 2018 tour
- Expanding Sneak a Zucchini on your Neighbor’s Door efforts
- Promoting and developing Ohio Local Foods Week, within county
- Other duties as identified by selected intern’s interest areas
