OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Tuscarawas County

2. Supervisor of intern: Kiersten Heckel

3. Supervisor email/phone number: heckel.13@osu.edu / 330-339-2337

4. Please identify the impact area and program area that will be the major focus of the intern.

Check a maximum of two impact areas:

- [X] Health and Wellness
- [ ] Job Skills and Careers
- [X] Thriving Across the Life Span
- [ ] Sustainable Food Systems
- [ ] Engaged Ohioans, Vibrant Communities
- [ ] Environmental Quality

Program areas – check all that apply:

- [X] Agriculture and Natural Resources
- [ ] Community Development
- [X] Family and Consumer Sciences
- [X] 4-H Youth Development
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

- 4-H Camp
  - Counselor development teaching and activities
  - Vespers and flag programming
  - Team initiatives and leadership activities
- Summer Walking Program – assist with promotion and management of the program
- Food Preservation – assist with class preparation and demonstrations
- Provide leadership to 4-H Olympics, 4-H Demonstration Contest, and assist with outreach at the annual Ag in the City
- Provide leadership to the development of skill-a-thon activities and interview questions for the beef
- Gather data needed from the on-farm research plots

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

- Participate in planning and development of 4-H camps
- Assist with data collection of on-farm crop research plots
- Assist with the food preservation workshops
- Attend and participate in a variety of committee meetings (for example: Sr. Fair, 4-H Committee, Junior Fair, community coalitions, etc.)
- 4-H project judging
- Summer Walking Program
