OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Union County
2. Supervisor of intern: Christy Leeds
3. Supervisor email/phone number: Leeds.1@osu.edu / 937-644-8117
4. Please identify the impact area and program area that will be the major focus of the intern.

Check a maximum of two impact areas:

- Health and Wellness
- Job Skills and Careers
- Thriving Across the Life Span
- Sustainable Food Systems
- Engaged Ohioans, Vibrant Communities
- Environmental Quality

Program areas – check all that apply:

- Agriculture and Natural Resources
- Community Development
- Family and Consumer Sciences
- 4-H Youth Development
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

- A major project for this intern would be the development of educational curriculum in the form of 84 Livestock Skillathon stations for use at 16 skillathons.
- This intern would also be involved in coaching and mentoring teen leaders to develop and implement their teaching sessions for 4-H Camp (42 sessions offered, all developed and taught by teen volunteers).
- The third major project would be developing activities for Quality Assurance education and coaching and mentoring teens who will teach sessions as a part of Youth Livestock Quality Assurance programs.

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

- Youth Livestock Quality Assurance Education; 9 programs
- Extension Advisory Committee Spring meeting
- 4-H Advisory Council meeting (3 meetings)
- Countywide Cloverbud program, monthly program for approx. 100 k-2nd grade youth, (5 meetings)
- Camp Counselor Education (7 meetings)
- Training for Jr. Fair Board members (3 -5 meetings)
- 4-H Volunteer Training and New Volunteer Orientation meetings
- Also several possibilities to participate in ANR programs and some FCS programming. Between 4-H, ANR and FCS; there would be the possibility to participate in an Extension program every night and weekend between January and May.
