OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Washington County

2. Supervisor of intern: Marcus McCartney

3. Supervisor email/phone number: Mccartney.138@osu.edu / 740-376-7431

4. Please identify the impact area and program area that will be the major focus of the intern.

Check a maximum of two impact areas:

- [X] Health and Wellness
- [ ] Job Skills and Careers
- [ ] Thriving Across the Life Span
- [ ] Sustainable Food Systems
- [X] Engaged Ohioans, Vibrant Communities
- [ ] Environmental Quality

Program areas – check all that apply:

- [X] Agriculture and Natural Resources
- [X] Community Development
- [X] Family and Consumer Sciences
- [X] 4-H Youth Development
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

The intern will complete the following related products during the internship:

- Handouts
- Brochures
- Literature reviews
- Lesson plan for topic to be taught at Community Safety Day
- Lesson plan for topic to be taught at Cloverbud/Beginner Camp, Junior Camp, & Senior Camp
- Develop livestock and Food and Nutrition skillathon materials for county skillathon program
- Develop a variety of marketing materials and methods to promote OSU Extension in Washington County
- Write posts for county 4-H blog site
- Develop a plan to implement 4-H make-up judging & skillathons for 4-H youth
- Develop exhibit materials and content for 4-H promotional displays used at three local fairs

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

1. 4-H Camps – Cloverbud/Beginner, Junior, Senior (4-H)
2. Safety Day (4-H)
