OSU Extension Summer Internship Program
Intern Work Plan – June 4 to August 10, 2018

The intern will be assigned to your office 38 hours per week (28 hours per week if taking classes). During the 10-week internship program, the intern should:

- Have one or more impact area-related educational program(s)/project(s) of which he or she has a major responsibility. This could include, but is not limited to: development of educational resources, organize an Extension program, support an exhibit.
- Complete one or more impact area-related products. This could include, but is not limited to: exhibits, handouts, news articles, literature reviews.
- Participate in educational activities that showcase the scope of OSU Extension. This may include, but is not limited to: assisting at Extension programs in the community, attending task force meetings, helping with county fair educational activities.
- Participate in meetings with community partners and with Extension colleagues. This may include, but is not limited to: community task force meetings, Extension program planning meetings, in-services, and volunteer committees.

1. Location/County: Wayne County

2. Supervisor of intern: Melinda Hill

3. Supervisor email/phone number: hill.14@osu.edu / 330-264-8722

4. Please identify the impact area and program area that will be the major focus of the intern.

Check a maximum of two impact areas:

- [ ] Health and Wellness
- [ ] Job Skills and Careers
- [x] Thriving Across the Life Span
- [x] Sustainable Food Systems
- [ ] Engaged Ohioans, Vibrant Communities
- [ ] Environmental Quality

Program areas – check all that apply:

- [x] Agriculture and Natural Resources
- [ ] Community Development
- [x] Family and Consumer Sciences
- [x] 4-H Youth Development

(extension.osu.edu)
5. Please identify the impact area-related products that it is anticipated the intern will complete during the internship.

- General Wayne County Extension Display/Exhibit
- Documentation through photos, video clips and interviews of 4-H program activities through the summer including clover bud camp, camp counselor training, and junior camp.
- Weekly postings summarizing field scouting results to an Integrated Pest Management Scouting program page
- Assist in the development of educational handout materials for horticultural crop walks and the dairy twilight tour
- Assist in the development of promotional videos for Canner lid testing, food preservation safety, and Money 101 and Steps to Home Ownership programs

6. Please list a minimum of six activities in which the intern will participate. These activities and meetings should be within the impact areas, across program areas and/or with the community or other professionals.

- Canner lid testing
- Food Preservation classes
- Money 101 classes
- Family and Children First Council meeting
- Clover bud camp
- 4-H Junior camp
- Twilight Dairy Tour
- IPM scouting
- County Extension Advisory Committee meeting
